

## Directions to the Language Partnership Offices

**If you have any problems do call us (+352) 26 15 67 91**

- 1) You follow the signs for Sandweiler through the main roundabout, Junction 7 on the map. (It is the turning from the motorway before the Kirchberg turning if you are coming from a Belgium direction).
- 2) You then need to follow the Sandweiler sign on the second roundabout - it is the third turning.
- 3) You need to go past the Control Technic on your right. On your left, you will see lots of shops.
- 4) After this you will see some grassland. You will then see two big orange grey buildings on your right. The nearest one to you has a SMATCH supermarket in. You can see the sign.
- 5) The NAVAS Business Centre is in the second of these buildings. So, drive just beyond them and turn right and the right again into the parking area in front of SMATCH. The parking is free.
- 6) You then need to walk to the SMATCH and follow the stairs up behind SMATCH going behind the building.
- 7) We are in the left-hand building - the one next to SMATCH. The first entrance has NAVAS Business Centre written on it. Click on the button for NAVAS and I will come to get you.
