

# The Language Partnership

*General English*

## Our flexible solutions for your business English needs

### Individuals & groups courses

We offer 'face to face' and online courses for individuals or groups.

### E-Learning

We propose courses online with the software Adobe Connect Meetings. These courses are available for individuals or groups.

### Bite Sized Learning

Bite Sized Learning is a half hour lesson designed to meet the needs of the busy professional. This is offered online.

### Blended-Learning

We offer a combination of 'face to face' courses and online lessons.

Whether you are wanting to improve your English for a holiday, speak with family and friends or want to settle in an English speaking country, we can develop a course to meet your needs. Below are just a few of the potential topic areas we can include in your course.

### Examples of themes for A1 – A2 students

Please note we can create a wider variety of General English courses to meet your needs. Whether you are wanting to improve your English for a holiday, speak with family and friends or want to settle in an English speaking country, we can develop a course to meet your needs.

- About you – your appearance, personality, habits and interests
